WELCOME

Autumn is a beautiful season. The leaves are colorful, the food is delicious, and the weather is cool. It is a good time to think about the little things that make us smile. The things that we choose to make us happy may be different from others. What are you thankful for? What does your autumn choice say about you? Let's find out with this month's gratitude activity and fun personality quiz!

BE THANKFUL FOR THE LITTLE THINGS

We don't need big things to be happy. We can enjoy small things in our daily lives, too. Let's take a moment to think about the good things around us.

For example:

WALKING SHOES

I'm grateful for the shoes I've been wearing because they protect my feet and help me walk.

FREE WATER

I'm grateful for the free water from the school drinking fountain in front of the gym because I can drink for free.

BIRDS' SINGING

I'm grateful for the birds singing in the morning because their songs make me feel calm and relaxed.

Vocabulary words:

grateful for - ～をありがたいと思う
gratitude - 感謝（かんしゃ）
weather - 天気（てんき）
autumn - 秋（あき）
season - 季節（きせつ）

What about you? What small things are you grateful for? Think about your daily life and complete this sentence:

I'm grateful for _____ because _____.
